\* Allow shampoo to remain on the scalp for 5 minutes. Rinse well. You may apply a conditioner to the ends of hair, but not to the scalp. Alternatively, you may use a spray-on conditioner.

\* Towel dry hair/scalp.

\* Using a comb, part your hair every ½ inch. Parting on the top and sides should be from front to back. Parting on the back of the scalp should be from top to bottom or side to side.

\* Apply 3 little drops to each part on the top and back, 2 little drops to each part on the sides of your scalp. Spread the medication along each part using your fingertips. Do not rub in or massage.
